Marriage without dowry comes true!

Updated: 04-05-2006

Though dowry culture is considered a major legal offence, accepting or providing dowry still prevails in the country in one or other way. idontwantdowry.com, an exclusive matrimonial website has been launched to overcome the serious set back of dowry culture.

The first-of-its kind portal was launched by the remarkable High Court Lawyer, in Chennai Mrs. Nalini Chidambaram.

The uniqueness of the www.idontwantdowry.com is that it is specific only for those people who are with the concept of accepting bride alone, not dowry.

Interested people can have their registrations at www.idontwantdowry.com .
